SANLORENZO

CHARTER FLEET

Your exclusive yachting experience

Always attentive to the evolution of the nautical world and to expectations of its highly demanding clients, Sanlorenzo, one of the most successful and renowned shipyards in the world, has created Sanlorenzo Charter Fleet: a new turnkey premium service dedicated to Sanlorenzo clients only.

A growing number of yacht owners are becoming aware that keeping their yacht sailing is the best way to ensure it is always in pristine working order and that its crew remains active and professionally motivated. As well as bringing significant economic results, charter is an attractive activity recently enjoying a striking growth. Sanlorenzo, while offering its owners the opportunity to offset the operating costs of their yachts, it provides professional consultancy throughout all the stages following a yacht purchase.

QUEEN MARTINA / SL86

Sanlorenzo **SL86 Queen Martina** is a 27 meters brand-new 2024 motor yacht for charter in Italy and West Med.

The project comes from the pen of **Officina Italiana Design**, one of the most reputed Italian design companies. Defined by elegant and balanced lines, the Sanlorenzo SL86 Queen Martina is a **true taste of perfection** ready to welcome you onboard for **exclusive adventures**.

The bow is a living space with sofas, table, sunbathing cushions and foldable sun hood. **Large side windows** catch more natural light and let the guests enjoy the sea view even sitting on the sofas of the salon. Even if the space onboard the SL86 is longer and wider than previous models, the typical Sanlorenzo sober line remains a must.

QUEEN MARTINA / SL86

The stairway to the **flybridge** has the steps sided by two plate glass, providing a floating-like look. Among the exterior key features of this Sanlorenzo SL86, the flybridge needs special mention. It is one of the largest in the category, with **41 sqm extension** and 9sqm just for sunbathing. Moreover, with the light, **elegant hardtop**, this all free, symmetrical space is highly and easily liveable. In addition, the large windows and portholes increase the inside/outside feeling. The cabin configuration features 4 generous guest cabins for up to 8 guests. The Master cabin aft, two twin cabins with convertible beds into double amid ship and the VIP cabin forward. All cabins are en-suite ensuring a comfortable and relaxing stay.
